

YOU KNOW IT'S SAFE. The strength is in the engineering. You never see it—perhaps you never think of it—you are so confident.

"Standard" Gasoline—newest of Standard Products—is already famous among motorists of the Pacific West. Have you tried it? At any price it is a truly superior motor fuel—the finest we have ever produced without Ethyl.

Equally in gasoline, your reliance is in the skill, capacity and experience of the manufacturer.

Fragrant Stocks Display Color

Among the popular garden flowers of the west are the fragrant stocks, admired not only for their delightful perfume, but also for their beautiful flowers. In stocks, play of double flowers.

Bismarck Stock

Start the seeds in flats or cold frames and transplant them to the open ground after the plants have four or five leaves, or the seeds may be sown in the open ground where the plants are to remain.

Stocks are easily grown and require only the ordinary cultivation. Too much moisture may cause the foliage to turn yellow and drop, therefore each sprinkling or irrigation should be followed by a surface-cultivation.

The home gardener is generally interested in the tall branching stocks that may be used as cut flowers. These include the Bismarck, or Giant Imperial, Giant Perfection, Nice and others.

Another popular class of stocks is the Ten-Weeks, valuable as borders and often used for massed color effects. Since they do not grow as tall as the branching varieties, they are not so desirable for cut flowers.

In purchasing seed, it is important that one should know for what purpose they are to be used, whether for cut flowers or for the massed bedding effects.

by charge of Mrs. L. M. Sault, war veterans' chairman Wednesday afternoon. Mrs. George Nahmens introduced Mrs. Sault following the business meeting.

Mrs. Della Miller, rehabilitation chairman of the 19th district, gave an interesting talk on the veterans' hospitals, dwelling largely on the Sawtelle hospital. There are 5000 men at the Sawtelle hospital, 2000 of which are World War veterans.

A concise explanation of the work the government does for the veterans at the hospital was thoroughly enjoyed by those present. The veterans who receive no compensation are allowed to make the poppies that are sold each year, the funds derived from this being so needed by these men.

Many of the men are taught crafts and the articles made are also sold at the hospital to the public.

Musical numbers were given by Mrs. Ida Hogan and Mrs. Ethel Derry, and the Glee club sang. Announcement was also made and invitation extended to all to join with the Auxiliary members in going to Sawtelle for the monthly card party at the hospital on April 23.

During the business meeting Mrs. H. Crumrine, chairman of international relations, gave a brief explanation of the world court which convenes at The Hague. The club endorsed "World Peace" following this talk on this important subject.

Mrs. E. P. Howe gave a report on the Los Angeles meeting. Funds were voted to assist with the new building project at the Ruth Protective home in Los Angeles. Mrs. Crumrine was elected to accompany the president as a delegate to the district convention which will be held in Long Beach next month.

Plans for a dinner meeting and entertainment to be given by the Keystone Chamber of Commerce April 25, were made at the regular monthly meeting of the chamber held Saturday night. Mrs. H. H. Barnard was named as chairman of the committee with the following assisting: Mr. and Mrs. Brazee, Mr. and Mrs. George H. Koehler, Tom Watson, Mrs. Barbara Berry, Roy Berry, Mrs. J. Stuebel, Mr. and Mrs. Harry C. Roogue, Mrs. E. H. Poole, J. Morgan. It was agreed that the chamber would pay half of the expense of erecting "Keystone" signs in Keystone while the Woman's club who sponsored the idea would do likewise.

A card party followed the meeting, with prizes going to Miss Stone and Louis Rice for high score, and Mrs. Barnard and George H. Koehler won consolation. Refreshments were served.

A five hundred party was given at the home of Mr. and Mrs. H. T. Hoxworth in Long Beach Friday night, many Keystoneers attending. Prizes were won by Mrs. Pernia Piper and Louis Bordeaux for high score, white consolation prizes went to Mrs. Bordeaux and George Nahmens. Present were Mr. and Mrs. S. S. Tannehill, Mr. and Mrs. Z. W. Jennings, Mr. and Mrs. Harry C. Roogue, Mr. and Mrs. George Nahmens, Mrs. Piper, Mrs. Barbara Berry, Roy Berry of Keystone; Mr. and Mrs. Louis Bordeaux and Mr. and Mrs. Oscar Anderson of Long Beach.

An important executive board meeting will be held at 1:30 p. m. Wednesday, April 8, just prior to the regular meeting of the Woman's club at 2 o'clock. A large attendance is desired by the president as a full board for the nominating committee will be named to secure nominations for the coming election. Dr. Ethel M. They Say It With Numbers

Table with Chinese characters and numbers, likely a directory or list of names and addresses.

When an enterprising group of Chinese in Boston decided to publish a guide and directory of, for, and about members of their own race in New England, they naturally included telephone numbers. Above is reproduced part of one column, showing an interesting contrast between the old and the new—the ancient ideographs of Chinese printing and the modern touch of Boston telephone numbers.

Lead Paint Warning By Health Officials
